Re: Los Angeles County Counsel Notice of Opportunity to Receive a Settlement Payment

Dear Claimant:

Los Angeles County Counsel, on behalf of the People of the State of California ("Plaintiff"), has settled a lawsuit against Warby Parker Inc. ("Defendant"), and, as a result, you are one of the people we believe may be entitled to receive a payment from the settlement fund. The case is *The People of the State of California v. Warby Parker Inc.*, Case No. 26STCV26556, in the Superior Court of the State of California, County of Los Angeles.

As the recipient of this notice, you must complete a claim form by **February 22, 2027**, to receive a pro rata portion of the distribution from the settlement fund. The settlement fund available for distribution is $541,020 in total. The amount you receive will depend on the number of valid claims filed. No portion of the settlement fund can be returned to the Defendant.

To submit a claim online, go to **www.LosAngelesCountyWarbyParkerSettlement.com** where you will be able to provide information, including providing information regarding how you would like to be paid from the settlement fund.

In the case, Plaintiff alleged that Defendant's use of certain digital technologies prior to March 12, 2024 on its website eye exam booking pages violated California's Unfair Competition Law and its False Advertising Law.

Defendant denies these claims. The Court did not rule in favor of the Plaintiff or Defendant. Instead, the parties agreed to a settlement. This case also does not involve any identity fraud,

security breach, financial information or unauthorized use of Social Security or driver's license numbers.

You are not required to sign any release or pay any fees in connection with accepting this settlement, as this is an action pursued by Los Angeles County Counsel on behalf of the People of the State of California.

If you have any questions, please feel free to reach out to the third-party settlement administrator, Analytics Consulting LLC, who is responsible for distributing the money in this matter.
